

**Two Decades of Post-Communist Change in Europe and the CIS:
What Has Been Achieved? What Is Still To Be Done?**

A CRCE Colloquium – September 2011.

The Constitution of the CRCE requires that its Trustees and Advisers dissociate themselves from the analysis contained in its publications but it is hoped that readers will find this study of value and interest.

The Editor wishes to thank those who contributed to this volume and apologises for any errors that may have occurred. Thanks also to Annie Beadle, Kathryn Larin & Valeria Eapen for transcribing the discussions.
